Valley station of the ski lift Valisera in St. Gallenkirch

St. Gallenkirch is located in the valley Montafon (near Bludenz) in Voralberg see www.silvretta-montafon.at for further information

is located at the top station of the ski lift Sonnenbahn in the ski area Nova piste 35 at the ski lift Sonnenbahn is exclusively reserved to WCS participants

Buy your ski pass at the designated WCS ticket counter. You get your ski pass at the group rate, if you register in advance on the WCS homepage. Your ski pass(es) will be prepared according to your registration and are handed out against identification by name.

If you registered for a ski pass in advance on the WCS homepage, your name and carving pass number are printed on your ski pass and thus includes your carving pass. If you did not register for a ski pass, you get your carving pass at the WCS base.

Pictures are taken throughout every day at the WCS piste (piste 35) – just watch out for our camera(wo-)men ☺.

Meeting point for all trainings is at the WCS base. The number of participants is limited to ensure profit and efficiency of each lesson for all carvers. Thus you can enrol for each training in the lists at the base. Trainings with high demand might be hold repeatedly. Specific information is announced at the base.

Please contact the WCS base if you have any questions or concerns (Hotline +49 15775985850 Simon Burger; only in urgent cases)
